#### Teacher of the Month

We'd love to welcome Ms. Madison to our center. She is our lead teacher for Older Toddlers and loves it!

She enjoys helping her class explore the outdoors while also teaching them indoors about books, music and fun!

Ms. Madison is a great addition to our Toddler Team!

Follow up with your child, but remember there will be lapses. The goal is to teach kids that they can set goals and accomplish them through a little dedication. Some examples for kids include cutting down on junk food, starting an exercise routine, continuing good behavior, or mastering milestones.
