Training Day

Endless Discoveries will host a company-wide teacher in-service day on October 9, and we ask our families to make other child care arrangements. This training allows us to invest in our teachers and ensure that they're providing the best early education experience for the students in our schools.

Ms. Kasia is our October Teacher of the Month. She has been with Endless Discoveries since February 2023, and she comes in every day with a huge smile, excited to start her day with the kids.

Ms. Kasia puts so much passion and love into her job, and we appreciate her a lot!
