Separation Anxiety

Every parent feels the dread of leaving a crying toddler with a caregiver, but there are effective ways to prepare your child for time away from mom and dad. Until he learns that he can rely on people other than family and feel completely safe when you leave, your child will likely protest even brief separations.

Follow our suggestions in our Blog at <https://www.endlessdiscoveriescdc.com/blog/article.phtml?id=how-to-ease-separation-anxiety>, and he will soon outgrow his separation anxiety.
