Separation Anxiety

Every parent feels the dread of leaving a crying toddler with a caregiver, but there are effective ways to prepare your child for time away from mom and dad. Until he learns that he can rely on people other than family and feel completely safe when you leave, your child will likely protest even brief separations.

We Love Ms. Erica!

This month we want to highlight our amazing cook, Ms. Erica!

When the kids see Ms. Erica, they know that they are in for a comforting, delicious meal. Ms. Erica also takes time to get to know and bond with our kids.

We are so thankful for her!
