Teacher of the Month

Our Teacher of the Month is Ms. Jamie! Ms. Jamie is our Pre-school teacher, and she loves doing fun activities with the kids and teaching them new skills.

Sneak Peak!

School age children can get a glimpse of our upcoming summer camp during Spring Break. Join us for "Summer Super Stars" from March 16 through March 20.

Dental Health

Healthy habits like brushing teeth each day help children build responsibility, independence, and confidence. As children learn to take care of themselves, they develop a sense of pride and accomplishment. Encouraging these routines at home and celebrating their effort helps strengthen both healthy habits and important social-emotional skills.

Happy Birthday!

Endless Discoveries would like to give a shout out to our Ms. Kristin on her birthday, March 29!
