Happy Easter

Teacher of the Month

Meet Ms. Ariel! She is one of our teachers in the Preschool 1 classroom. Ms. Ariel loves to play, draw, sing, dance, and have a great time in class. She greets every child with a smile and a hug, and she truly loves to spend her day surrounded by her class!

Our Stellar Encounters Spring Break was a big success! Keep an eye out for upcoming events as our Stellar Encounters will continue throughout the summer.

Autism Speaks

April is National Autism Awareness Month, and Endless Discoveries believes development of the "whole child" includes art, music, dramatic play, social awareness, cooking, outside play, language and math, regardless of the child's cognitive level.

Easter Egg Hunts

Parents are invited to our Easter Egg Hunts on Tuesday, April 15, and encouraged to help hide the eggs and hunt for them! Please bring a dozen pre-stuffed eggs per child enrolled, along with a bag or basket to hunt with. (No nuts or chocolate, please.)

Arrive 15 minutes earlier than your child's hunt if you want to hide the eggs.
