## Student of the Month

We would like to showcase one of our stellar students, Scarlett!

Scarlett is in our Younger Toddler Class, and she loves to dance, sing, and play outside. She is always taking care of all the baby dolls in her classroom.

Scarlett brings so much joy and light to those around her!

## Autism Speaks

April is National Autism Acceptance Month, and Endless Discoveries believes development of the "whole child" includes art, music, dramatic play, social awareness, cooking, outside play, language and math, regardless of the child's cognitive level.
