Teacher of the Month

Our Teacher of the Month is Ms. Kady. She is one of our newest hires but has become such an amazing addition to our team!

Autism Speaks

April is National Autism Awareness Month, and Endless Discoveries believes development of the "whole child" includes art, music, dramatic play, social awareness, cooking, outside play, language and math, regardless of the child's cognitive level.

Week of the Young Child

We are excited for another fun-filled Week of the Young Child from April 11 through April 17.

We will be focusing on hands-on activities, encouraging movement and healthy lifestyles through music and art.

Our Summer Super Stars Spring Break 2026 was a success with a Kick Ball Tournament, Talent Show, DIY "Star Power" Lava Lamp, and Guess the Object!

Watch for upcoming events as our Summer Super Stars will continue throughout the summer.
