SAGINAW

APRIL 2026

## Easter Egg Hunt

We will have an Easter Egg Hunt on Thursday, April 2. Please bring a dozen filled plastic eggs by April 1. (No nuts, please.) Check our flyer for times.

## Week of the Young Child

We are excited for another fun-filled Week of the Young Child from April 11 to April 17.

We will be focusing on hands-on activities, encouraging movement and healthy lifestyles through music and art.

## Autism Speaks

April is National Autism Awareness Month, and Endless Discoveries believes development of the "whole child" includes art, music, dramatic play, social awareness, cooking, outside play, language and math, regardless of the child's cognitive level.

## Hydrate!

We would like to remind parents that everyone needs to bring a water bottle every day and take them home to be cleaned daily.

Children have a higher percentage of body water than adults and are more active, so they're at a higher risk of dehydration.

Dehydration can cause headaches, tiredness, crankiness, and poor physical performance. It can also lead to more serious medical problems.
