### Safety Month

June is National Safety Month. What a perfect time of year to raise awareness of how we can make safety a priority not only at school but at home too.

During the summer months, children begin to spend more time outdoors. Make sure your child stays hydrated and wears sunscreen. With Texas temperatures rising, it's important to know the signs of heat exhaustion in children. Seek medical attention if your child has been in extreme temperatures and exhibits any of the following symptoms of heat exhaustion: Headache, weakness, dizziness, confusion, nausea, rapid breathing or heartbeat, no sweating, loss of consciousness.

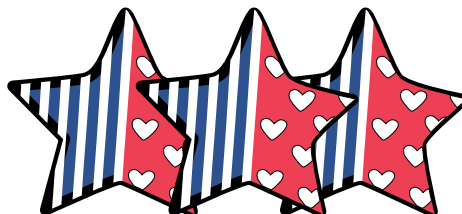

### Parents' Night Out

All children are invited to our Parents' Night Out on Friday, June 6, from 6:00 to 10:00 p.m., whether enrolled in Endless Discoveries or not. That means your child can invite a friend! We will have some fun summer projects.

Please see the office for a sign-up sheet.
