AUGUST 2023

EOS and BTS!

In case you're not up to speed on your acronyms, that means "End of Summer" and "Back to School!"

We have had an incredible summer with Road Trippin' to some memorable places with our school age kids, such as the Granbury Pool, Barnard's Mill, Shoo-Fly Soda Shop, Fossil Rim, Cleburne State Park, Somervell County Library, Dinosaur World, Rio Vista Children's Museum, and Pin Center Bowling. Plus we still have a few trips planned before our grand finale End of Summer Party: Simple Simon's Pizza, Dinosaur Valley RV Park, and Cinergy Movies.

Our younger students had a blast with several Brain STEM events, Jurassic Snow Cones, Country Critters, and lots of science, math, art and cooking projects, games, movies, and outdoor fun.

Now we're ready to buckle down for some serious learning at school!

Teacher of the Month

Ms. Bailey has been with Endless Discoveries since August 2022. She has worked in all classrooms and always has a smile on her face! She will be leaving to continue her degree in Biomedical Science, and she will be missed by teachers, students and parents.

This year's Sales Tax Holiday is August 11-13. The law exempts most clothing, footwear, school supplies and backpacks priced less than \$100 from sales and use taxes, which could save shoppers about \$8 on every \$100 spent. All sales of qualifying items made during the holiday period qualify for the exemption, including items sold online, by telephone or mail.
