Happy Grandparents Day!

Grandparents Day is Sunday, September 7. We are grateful for your being our heroes, someone to lean on, and our best friends.

Grandparents are like stars. You don't always see them, but you know they're there.

Why Reading is Important

Reading with your child on a regular basis creates a stronger relationship between the two of you. In addition, it teaches your child basic speech skills, better communication skills, more logical thinking skills, and enhanced concentration and discipline.

Try to make it a habit to read with your child daily!

Welcome to EDCDC!

We would like to introduce Ms. Aley to our Infant Room team! She loves to play and sing and read to our youngest kids. Ms. Aley always has a smile on her face and loves to laugh!
