## Free-Range Parenting

What does the term "Free-Range Parenting" mean to you? It isn't about being permissive or uninvolved. It's about allowing kids to have the freedom to experience the natural consequences of their behavior. It's also about ensuring kids have the skills they need to

become responsible adults. As children earn extra freedom by making mature decisions, they can gradually be given increased freedom and responsibility. It's important to not parent out of fear. Enforce safety measures, but understand that accidents do happen.

## Halloween Parties & Costume Day

Classroom parties & costume day will be on October 31. We appreciate parents bringing snacks.
