Teacher of the Month

Our Teacher of the Month for October is Ms. Gracie. She has stood out as a positive person, always going out of her way for her staff family. She is the Lead Teacher of the Preschool 2 classroom, and she has brought a creative light to our center.

Big News!

We are so proud of Ms. Deleila for taking the exciting step of joining the **Texas School Ready** program with her classroom!

This opportunity comes with valuable training, ongoing support, and guidance from incredible mentors, all designed to strengthen our teaching practices and enrich the learning experiences we provide.

We are thrilled to see Ms. Deleila investing in her professional growth and, most importantly, helping us continue to grow and improve for the **betterment of our children!**

Training Day

Endless Discoveries will host a company-wide teacher in-service day on October 12, and we ask our families to make other child care arrangements. This training allows us to invest in our teachers and ensure that they're providing the best early education experience for the students in our schools.
