

Finding a Work/Family Balance

Is it possible to have a career and be actively involved with your family? Many moms have proven this is not only possible but also rewarding. Here are a few tips to make the "juggling act" a little easier.

- Don't feel guilty for the choices you make. Be confident that you can be successful in finding a balance that benefits your whole family.
- Find ways to save time, such as ordering groceries online, using curbside pickup and preparing lunches the night before.
- Reduce distractions and time wasters. Limit socializing, social media scrolling, phone calls and television so your time is focused on the important things.

Endless Discoveries' Birthday

Seventeen years ago, on November 2, 2005, we opened our doors to our first children here in Saginaw, and we're grateful for the opportunity to continue serving our community in such an important way.

Thank you, Saginaw families, for allowing us to care for your precious children!

Reminder

We will be closed on Thanksgiving Day and the day after, 11/24 & 11/25. • Plan special family activities that everyone can look forward to and create memories that last forever.

- Stay organized using calendars and lists and plan ahead to avoid last-minute panics.
- Share the housework, with even the youngest in the house pulling their own weight. Everyone

wants to feel useful and valued.

- Learn to turn down some activities if they cause more anxiety than enjoyment. Overbooking takes all the fun out of an experience.
- Lower your expectations and know that you don't have to be perfect all the time. Find time for yourself to rejuvenate.
- Don't forget that you can trust Endless Discoveries to provide the best possible care for your child while you turn your full attention to your job. With our flexible hours, low teacher-tochild ratio, and clean and safe environment, your child can benefit from learning through play with friends.

Thanksgiving means the act of expressing or feeling thankfulness. We will be having a Thanksgiving lunch for the children on Thursday, November 17, at 11:15. Parents are welcome to join us.
