Parents' Day Out

All children are invited to our Parents' Day Out on December 3, from 11:00 a.m. to 4:00 p.m., whether enrolled in Endless Discoveries or not. That means your child can invite a friend!

Kids can show up in their most comfortable pajamas and take a ride aboard the Polar Express, a spectacular movie based on an award-winning book. With pizza and mandarin oranges to snack on, the event will be memorable for the kids and an opportunity for parents to get some Christmas shopping done.

Payment is required prior to the event. \$25 for the first child and \$15 for each additional child in the same family.

Choosing the Right Toys

The teachers at Endless Discoveries are the experts in the world of toys because they can observe children of all ages selecting their favorite toys on a daily basis. You might be surprised at the most sought-after toys in the classrooms.

Children often select the most simple playthings, and they aren't even aware that they are educational. Toys don't have to be complicated, loud or annoying to be appealing to young minds.

Play is essential for brain development, movement and exercise. Mr. Rogers wisely stated: "Play is really the work of childhood."

If you have questions about what to buy your child for Christmas, check with our "toy experts." Our teachers can make some wonderful recommendations based on their many hours of observation in the classroom.
